RE: Protests in Wisconsin and other states

---

As all of you're aware, enormous protests will continue in Wisconsin over the weekend. Our Wisconsin Teamster Joint Council and locals have all been actively involved. More demonstrations are planned in Ohio, Indiana, Washington and in at least half a dozen other states. Some will happen on Monday, some over the weekend.

Things are moving very rapidly, and it's difficult to keep you all up to date. We're asking you to visit the [teamster.org](http://teamster.org) website and click on the "Stop the War on Workers" banner. There we are posting information about the date, time and location of rallies as we learn about them. You will also find useful information for your state, such as images of fliers that you can download and print. Please encourage your members to stay involved, by keeping an eye on the website and by following our "Teamsters" and "Stop the War on Workers" Facebook pages.
